

St Chad's Catholic School

Grow in Love

Live In Peace

12th January 2018

Dear Parents and Carers,

We have had a very busy week this week. The children have been working hard and I have enjoyed going round taking part in their learning. The afterschool clubs are now underway and lots of interesting things are being made. Paper monsters in Year 2 and Felt hearts in Year 3, as well as lots of sporting activities.

This week a number of children received their Pen Licences this for some fabulous cursive handwriting in their books. Well done to all those who have received their pens! Keep up the good work those still waiting next week it could be you!

We have a number of tickets available for the Under 18's football Game at Crystal Palace, taking place on Friday 19th January at 7:00pm. If you would like a ticket please come and ask the office.

Delia Jameson

Reception Places for September 2018-19

For children due to start Reception in September 2018, the deadline for applications is **15th January 2018**.

St Chad's is now part of the Living Streets Walk to school Campaign.

Well done to all those who remembered to walk to school on Wednesday. Keep it up!

Don't forget it's a year round walk to school challenge. Each week our Junior Travel Ambassadors will log who has walked to school on a Wednesday. Those children who have walked to school on every Wednesday during that month will receive a badge to demonstrate their commitment to walking to school.

Walking to school helps children feel happier and healthier and even do better in class because they arrive fit, refreshed and ready to learn.

If you live too far away to walk the whole distance to school, your child can still be included if you get off the bus a few stops earlier and walk the final 10 minutes of the journey. Alternatively you can park at least 10 minutes away from school and walk the rest of the journey.

It would be fantastic if all the children could make the effort to walk to school on a Wednesday.

Thursday 22nd February we will be participating in a one off event, where you can recycle your old bikes.

Look out for full details to follow.

Upcycling Projects

A number of children have been working on an Upcycling project with Mrs Poddar. Look at the creative ideas so far. Well done all!
