Grow in Love

Live In Peace

20th April 2018

Dear Parents/ Carers,

Welcome back to the summer term. What a welcome back it has been, we have been blessed with such wonderful weather this week. It's lovely to see everyone smiling and laughing and both children and adults enjoying their learning. The children have come back ready to learn and on my walk around the school this week the learning environment has been calm, happy and purposeful. Well done everyone!

In just a few short weeks all the year 6 children around the country will be taking their end of key stage test. The children have been working hard and I would like to say a very big thank you to all the staff who came in during the Easter holiday to run booster classes. Children stay focused and continue to revise daily.

On really hot days, such as the ones we have been enjoying, please do not send the children to school with heavy coats and jumpers. Remember to ensure that your child has put sun screen and they wear their school cap. Children should remember to bring in a water bottle, so that they can be kept well hydrated throughout the day. Can I ask parents to ensure that any medication that is in school, is in date. Out of date inhalers have been returned home for you to replace.

This weekend try and get to the park and enjoy some of this lovely fine weather before it disappears.

God bless.
