How can we spot a masculine noun?

How can we spot a feminine noun?

How can we spot a plural noun?

## How can we spot a masculine noun?

"O" on the end  
un or el before it

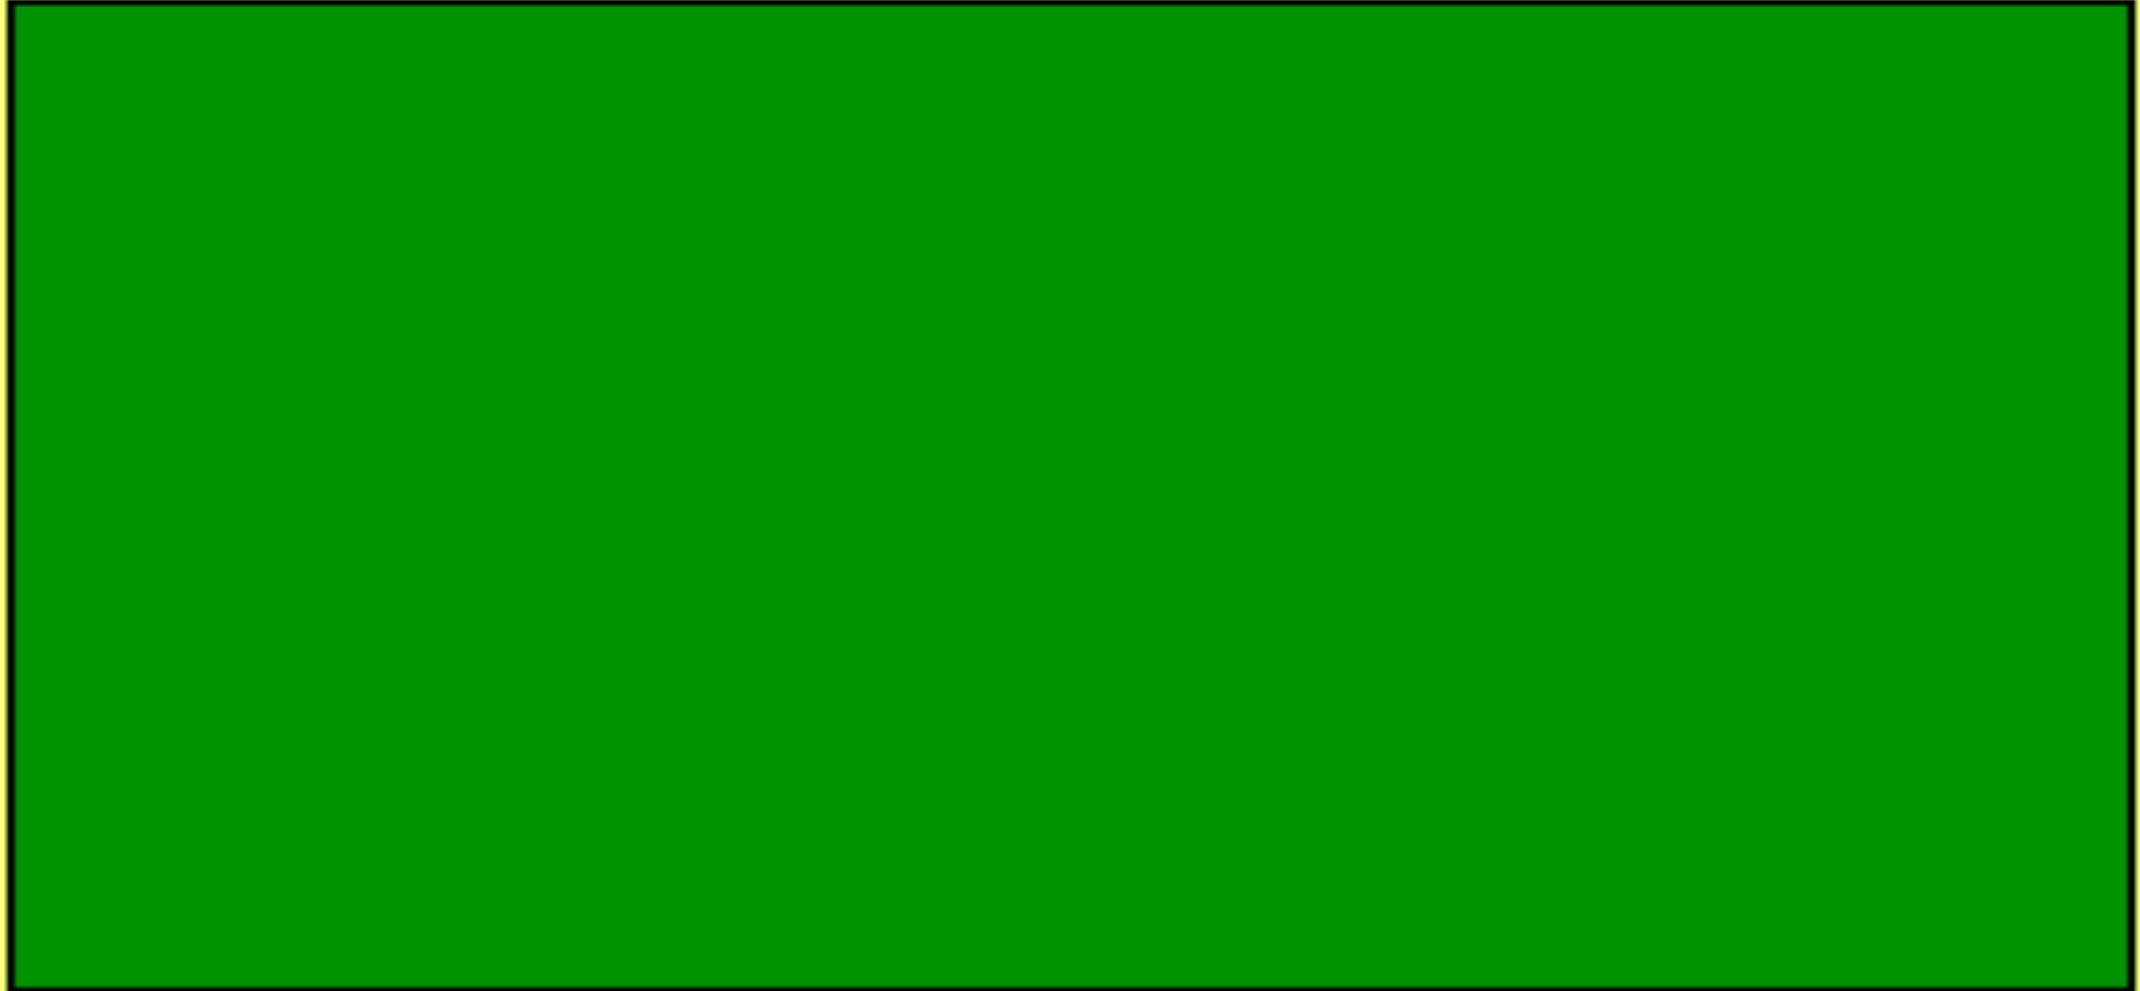

## How can we spot a feminine noun?

"a" on the end  
una or la before it

## How can we spot a plural noun?

"S" or "es" on the end  
los, las, unos, unas or a number before it

How do we add adjectives correctly?

## How do we add adjectives correctly?

If the adjective ends in "O" (Like rojo)  
change the "O" to "a" - (feminine singular)  
"as" - (feminine plural)

If they end in "e" (like verde)  
add "S" for each plural form

If they end in a consonant (like azul)  
add "es" for each plural form

Can you give an example?

Task:

Stick the worksheet in your books.

Write which words are masculine or feminine.
