Published by Orchard Classics

Ages 7-11

## Reasons for selection and synopsis

*A powerful wizard, an airy sprite, a scheming brother and an evil slave are drawn together by a violent storm on a long-forgotten island in this classic tale of power, revenge and magic.*

This is a stunning adaptation of Shakespeare's final play. It is written in accessible language and manages to capture the excitement and wonder of the original play. This tale of magic and mystery is brought to life by Tony Ross's engaging black and white illustrations.
