

Friday 9<sup>th</sup> May 2025

Dear Year 4 Parents and Carers,

### **Year 4 Multiplication Tables Check (MTC)**

I am writing to remind you that the Year 4 Multiplication Tables Check (MTC) will be taking place in June. This national assessment is designed to ensure that children have a solid understanding of their times tables up to 12 x 12, which are a crucial foundation for future maths learning.

To help your child feel confident and prepared, we have been setting regular times tables homework. We kindly ask for your continued support in encouraging your child to complete this each week. In addition, daily practice at home - even just for a few minutes - can make a big difference. This could be through online games, apps, or simply by quizzing your child verbally on their times tables.

Your support at home is incredibly valuable and greatly appreciated. Together, we can help your child feel ready and confident for the check in June.

If you have any questions or would like further resources to support your child's learning, please do not hesitate to get in touch.

Thank you once again for your continued support.

Warm regards,

**Miss Dench**

(Year 4 class teacher and Maths Lead)
