

4th June 2025

Dear Parents/carers

As I am sure that your son/daughter has already shared with you that our school journey to PGL was a huge success and the children enjoyed a wonderful time experiencing new activities and challenging themselves to achieve new things. I know that many of you followed the excitement on Twitter.

As I explained at the parents meeting, we always take a lot of photographs of your children experiencing the adventure and fun of the journey. I have collated these and have created a folder of all the photographs.

If you would like a copy of these photographs, please send £8:00 in cash, into school by the 17th June. This will pay for a 16 GB 3.0 USB memory stick and provide a £4.50 donation to the 'Starlight fund'. This is a school charity which supports vulnerable families and children in our school.

If you do not wish your child's image to be shared in this way, please inform me by Friday June 13th 2025.

I will be putting the photographs on to USB sticks until Monday 23rd June. I will not be able to complete any more after that date, due to the increase end of year work load.

I hope that these photographs will add to the treasured memories your children already have of that wonderful weekend.

Kind Regards

Mrs Paula Mitchener
Year 6 Teacher
