

4th July 2025

Dear Parents and Carers

Class Allocations for September 2025

It is that time of year whereby we start to make arrangements for the new academic year. I am pleased to be able to confirm the following class teachers, support staff and class allocations for 2025 - 2026 academic year.

Children in **St Anne's and St Peter's** (Reception classes) have been reorganised for Year 1. The reorganisation has been based on a number of factors and having had the children in school for a year we feel the mix will assist and benefit the children moving forward into Key Stage 1. The children will be told which class they will be in September. They will receive a little slip of paper to say whether they are St Luke or St Elizabeth.

Children in **St Catherine and St Martin** (Year 4 classes) have been reorganised for Year 5. We have made this decision on a number of factors. We believe the children will benefit from these changes as they move into Upper KS2. The children will be informed as to which class they will be in September.

Children in **St Andrew and St James** (Year 5 classes) have been reorganised for Year 6. We have made this decision on a number of factors. We believe the children will benefit from these changes as they move into Year 6 and begin to think about transition to secondary school. The children will be informed as to which class they will be in September.

St Chad's Class allocations - September 2025
