

30<sup>th</sup> September 2025

Dear Parents and Carers,

**RE: Year 3 Stone Age Day - Friday 17th October**

As part of our 'Across the Ages' topic this term, we are excited to let you know that Year 3 will be taking part in a special Stone Age Day on Friday 17th October. This day will include a range of exciting activities designed to immerse the children in what life was like during the Stone Age.

A highlight of the day will be the Stone Age Life workshop delivered by the Education Group. The children will enjoy a session with a trained actor, who will guide them through an engaging, hands-on exploration of Stone Age life. Activities will include studying Stone Age tools, learning tribal dances, and discovering how jewellery was made during this fascinating period.

To make the experience even more immersive, we would love for the children to come dressed as Stone Age people for the day. Simple costume ideas might include neutral-coloured clothing, faux fur, or homemade accessories—there's no need to purchase anything special!

To cover the cost of the workshop, we are asking for a voluntary contribution of £10.70 per child. Please make payment via ParentPay by Wednesday 15th October.

We are confident that Stone Age Day will be a fun, memorable experience that will bring history to life and deepen the children's understanding of the Stone Age.

Thank you for your continued support.

Kind regards,

**Miss Dench**  
**Year 3 Class Teacher**
