

Tuesday 12th May 2026

Dear Parents/Carers,

We have been given the wonderful opportunity for our year 5 children to take part in a STEM workshop at Fidelis College on **Wednesday 20th May**. Children will have the chance to take part in 3 sessions over the course of the day.

We will be travelling via bus and will spend the day at the College. Please ensure your child brings a packed lunch to school on the day of the trip (no nuts please), if you are in receipt of benefit related free school meals and would like to order a school packed lunch, **please inform the school office by Monday 18th May** at the latest. Your child will need to dress in full school uniform. Please ensure they are dressed appropriately for the weather.

We will be leaving school at 9am and will need adults to join us on the day, if you are able to help us out, please could you let us or the school office know as soon as possible. If you have any questions regarding the trip, please do not hesitate to contact us via the school office.

Kind regards,

Miss Kalia and Mrs Bolshaw
